

LUSFAM ENERGY

CORPORATE PROFILE

1. COMPANY OVERVIEW

LusFam Energy Trading (Private) Limited is an independent energy and commodities facilitation company focused on developing and supporting international petroleum trading opportunities. The company works with vetted buyers, suppliers, refiners, mandates, and strategic partners to facilitate the supply of refined petroleum products and related energy commodities across international markets.

LusFam Energy's objective is to establish reliable, transparent, and long-term commercial relationships with credible counterparties while maintaining high standards of compliance, due diligence, and professional conduct.

2. CORE ACTIVITIES

- Petroleum products sourcing and procurement support
- Supplier and buyer due diligence
- Transaction facilitation and coordination
- CIF and FOB transaction development
- Commercial representation and market development
- Strategic partnership development

3. PRODUCTS OF INTEREST

We actively facilitate trading and supply optimization for a comprehensive portfolio of refined petroleum products, including but not limited to:

- **EN590 10ppm Diesel:** High-quality ultra-low sulfur diesel adhering to international automotive standards.
- **Jet A1 Aviation Fuel:** Standard commercial aviation turbine fuel suitable for international logistics operations.
- **D6 Virgin Fuel Oil:** High-viscosity residual fuel oil tailored for power generation and industrial heating application.
- **Liquefied Petroleum Gas (LPG):** Clean-burning propane and butane mixes for commercial distribution.
- **Liquefied Natural Gas (LNG):** Bulk natural gas transport solutions for international energy networks.
- **Crude Oil:** Sourcing and facilitation of diverse global crude grades.
- Other refined petroleum products subject to explicit buyer requirements and corporate mandate match.

4. TARGET MARKETS

LusFam Energy supports cross-border opportunities and structured supply channels across **Africa, Latin America, Asia, Europe**, and other international markets depending on specific regional mandates and compliance frameworks.

5. BUSINESS PRINCIPLES

Our operational model is governed by six foundational pillars designed to foster trust and security:

- **Transparency:** Open, honest communication across all phases of transaction structure.
- **Compliance:** Strictest adherence to international commercial codes, maritime laws, and sanctions compliance.
- **Professionalism:** Delivering institutional-grade execution capabilities to private and sovereign counterparties.
- **Confidentiality:** Safeguarding the sensitive data, proprietary procedures, and identity of our commercial network.
- **Long-Term Cooperation:** Prioritizing sustainable trade partnerships over short-term spot advantages.
- **Mutual Commercial Benefit:** Ensuring clean, win-win transaction terms that guarantee reliable multi-year delivery.

6. LEADERSHIP

Absalom Lusuwi

FOUNDER & MANAGING DIRECTOR

Absalom Lusuwi is the Founder and Managing Director of LusFam Energy Trading, an international energy trading company focused on facilitating petroleum product transactions and building strategic partnerships across global markets.

With a background in business development, international trade facilitation, and the petroleum sector, Mr. Lusuwi has developed extensive commercial relationships with industry stakeholders across Africa, the Middle East, the Caribbean, Asia, and other international markets. His expertise spans supplier engagement, buyer sourcing, transaction coordination, commercial negotiations, and cross-border business development.

Recognizing the growing demand for a professionally structured energy trading platform, he founded LusFam Energy Trading to formalize and expand his participation in the international petroleum industry. His vision was to establish a company capable of connecting reputable suppliers with qualified buyers while promoting transparent, compliant, and commercially sustainable transactions.

As Managing Director, Mr. Lusuwi leads the company's strategic direction, oversees business development initiatives, cultivates international partnerships, and manages commercial negotiations. He is committed to building long-term relationships founded on integrity, professionalism, and mutual value creation.

Under his leadership, LusFam Energy Trading continues to pursue opportunities within the global energy sector by collaborating with trusted refiners, national oil companies, trading houses, logistics providers, financial institutions, and end-buyers. The company's objective is to facilitate efficient and reliable petroleum transactions while maintaining the highest standards of due diligence, regulatory compliance, and operational excellence.

Mr. Lusuwi remains focused on expanding LusFam Energy Trading's international presence and positioning the company as a trusted partner in the global petroleum trading industry through innovation, strategic collaboration, and unwavering commitment to ethical business practices.

6. LEADERSHIP (CONTINUED)

Agnes Fungai Lusuwi

EXECUTIVE DIRECTOR – ADMINISTRATION & STRATEGIC PARTNERSHIPS

Agnes Fungai Lusuwi is an accomplished administrator and strategic partnerships professional with more than 20 years of experience in administration, donor coordination, stakeholder engagement, diplomacy, and international relations. Throughout her career, she has worked with government institutions, development partners, private sector organizations, and international stakeholders, building collaborative relationships that support sustainable organizational growth and successful programme implementation.

Her professional expertise includes institutional administration, partnership development, donor engagement, international cooperation, agreement facilitation, and strategic relationship management. She has played a key role in coordinating multi-stakeholder initiatives, strengthening organizational partnerships, and supporting the negotiation and implementation of collaborative agreements across diverse sectors.

As Executive Director responsible for Administration and Strategic Partnerships at LusFam Energy Trading, Agnes provides leadership in corporate administration, organizational governance, stakeholder engagement, and international partnership development. She works closely with strategic partners, investors, financial institutions, and international organizations to foster long-term relationships founded on professionalism, transparency, and mutual benefit.

With a strong commitment to excellence, diplomacy, and ethical leadership, Agnes continues to contribute to LusFam Energy Trading's growth by strengthening institutional capacity, expanding strategic partnerships, and supporting the company's vision of becoming a trusted participant in the global energy trading industry.

7. DUE DILIGENCE POLICY

LusFam Energy strictly conducts independent commercial and compliance reviews of all counterparties before entering into detailed transaction negotiations. This rigorous vetting process is designed to protect all parties from transaction failure, verify genuine operational capacity, and promote successful long-term business relationships.
